Empowering Limitless Scientific Possibilities

Featured Products

Product Name	Catalog Number
Plasmid Mini Prep Kit	BD0101
Animal Genomic DNA Mini Prep Kit	BD0201
Plant Genomic DNA Purification Mini Prep Kit	BD0202
Gel Extraction Kit	BD0301
PCR Purification Kit	BD0302
Agarose Low EEO	BP003
2xTaq PCR Mix	BE005
2xEfi Taq PCR Mix	BE006
2x Qprecise Green qPCR MasterMix	BE008
2x Qfast Green qPCR MasterMix	BE009

With a comprehensive product line, we provide various antibodies including Primary Antibodies, Secondary Antibodies, Loading Control Antibodies, Phospho-specific Antibodies, Tag Antibodies, FACS Antibodies, etc.
